

# SANJA MIŠIĆ

## FRONTEND DEVELOPER

### ABOUT ME

---

I am a passionate front-end developer, driven by a strong desire to learn and grow. I am motivated to enhance my skills and gain experience in building modern websites and applications. I believe that the skills I possess, such as analytical thinking, creativity, attention to detail, etc., are key to success in this field. I hope to join an inspiring team that supports my growth and progress.
